SUPPORT IN CONGRESS

70% of Americans support federal legislation that would require online-only sellers to collect sales tax at the time of purchase.

82% of Americans think having online-only vendors collect sales tax at the time of purchase is **easier** than paying sales and use taxes through special forms or when filing income taxes.

29 bipartisan cosponsors are on the Senate version of the legislation.

66 bipartisan cosponsors are on the House version of the legislation.

**The bill passed the Senate 69-27
with solid bipartisan support.**
